Issue: 7

Sports Week has been great! The basic skills children are developing in PE are becoming more and more evident. Once again we are proud of the effort the children have put in! Thank you to all of you that came to support the children on the Fun Run and the Sports Days, your support is helping to make West Heath a fabulous school. Again, we do need to thank the sports coaches who have put together another fantastic week for the children and also all of the other members of staff that have helped pull the week together.

## More Sport News:

Our Netball Team performed brilliantly last night! They played three games and won two convincingly, only to narrowly lose the third. Mrs Flora said that despite the extreme heat the girls played with determination and are now showing real improvement. Similarly, our Cricket Team put in another couple of excellent performances in their league matches, winning one and losing one. Mrs Hatton and Mr Kendall were particularly pleased with the resilience the team showed and feel that the team worked really well together.

## Values:

One of the reasons we value sport at West Heath is that it helps to develop so many core values, which will help our pupils in all aspects of their future lives. This week during Sport Week we have issued a record number of values slips! In particular, the children have shown determination, cooperation, respect and excellence. It has been a pleasure to see them tackling the various challenges we have given them with so much energy and enthusiasm!

## General Reminders:

1. Check out the calendar on the front page of our school website for key dates coming up this year and next.
2. Remember that we are putting on two extra parents evenings next week to give you a chance to meet your child's new class teacher. On this occasion the children are also invited to come along. This will affect clubs next week, which will take place on Monday, Thursday and Friday. After next week clubs will finished for this year.
3. Currently, the heatwave looks set to continue into next week. Please make sure that your children come to school with sun cream and sun hats.

## Attendance

Last week our whole school attendance was 95.6 %. Special mention for Class 7 who achieved 99% attendance.
