

SPORTS PREMIUM FUNDING STATEMENT and ACTION PLAN

What is the Sports Premium?

Sports Premium funding is jointly provided by the Department for Education and Health, Culture, Media and Sport. The funding is expected to be used to provide new and substantial primary school sports provision.

Purpose of the funding

Schools must spend the sports funding to improve the quality and breadth of provision for PE and school sports activities. The sports funding is designed to enrich children's experience in sport whilst developing healthy active lifestyles; raising levels of attainment and enabling pupils to reach the levels of performance they are capable of. Schools are not directed to how they use the money. They are expected to decide how to use the funding in order to improve the provision of PE and sport within their schools. Examples include additional sport clubs, equipment to support P.E and hiring specialist P.E teachers/qualified sport coaches.

Physical Education at West Heath

At West Heath Primary School, we recognise the contribution of P.E to the health and well-being of the children in our care. In addition, it is proven that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children. We aim to develop children's knowledge, understanding and skill development so that they can effectively perform skills with confidence and competence. Children at West Heath Primary are expected to know, understand and then be able to apply their skills and knowledge in a range of contexts. At West Heath Primary, PE promotes understanding of how the body works and enables children to make informed choices about healthy lifestyles and to encourage lifelong participation in sport.

Objectives of the Funding at West Heath

- To ensure that all PE lessons are at least good and that children make good progress.
- To ensure that all children are able to engage in physical activity on a daily basis.
- To ensure that all children are able to take part in competitive sport through intra and inter school competitions.
- To make sport accessible to all SEND pupils.

West Heath Primary School PE and Sports Premium

West Heath Primary Funding Allocations	
Total Number of children on roll	416
Number of pupils eligible for FSM	257
Number of pupils eligible for funding 2016/17	344
Number of pupils eligible for funding 2017/18	354
<i>Allocations for the academic year 2017/2018 are calculated using the number of pupils in years 1 to 6</i>	
Total amount of funding received.	£15,448

Area of focus	Activities <i>(Key actions identified to improve provision in each area)</i>	Funding <i>(Breakdown of what will be spent)</i>	Impact <i>(The difference the funding has made/ will make)</i>	Evidence <i>(Sources of evidence on which the end of year evaluation will be based on)</i>
1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles	Sports Team under the direction of the PE teacher at lunchtime and break time to run sporting activities.	£8,000 (this is topped up with additional funding from the school budget)	The number of incidents of poor behaviour decreases due to children being engaged in structured activities. More children engaged in sporting activities at break and lunchtime	The number of e-portal incidents reduction. The number of children engaging in sport at lunchtime.
	Sports coaches to run after school clubs.	£4,778 (this is topped up with additional funding from the school budget)	The number of children able to join afterschool clubs increases. Leading to improved achievement in competitions and lessons as skills can be developed.	Number of children accessing after school clubs Club Registers Fixture results
