

Welcome to our Class 14 page

Teacher: Mrs Fay

Teaching Assistant: Miss Taylor

Welcome to our wonderful Class 14's website page. I am Mrs Fay, a keen historian and explorer, and class teacher; when I'm not sneaking interesting history facts into lessons at every opportunity in school, I can be found exploring as many areas of the world as possible. It's really quite fitting that I am History and Geography Lead for the school; as I often say – 'it's right up my street!'. We are very lucky to have Miss Taylor working across Year 6 as our teaching assistant; you'll never find her without a smile on her face. Together, we make a fantastic team and ensure the days are running smoothly and full of smiles. We currently have thirty fantastic students and each and every one of them comes equipped with their own interesting backgrounds, hobbies and skills: we love celebrating these! We make it our class mission to show all of our values all of the time, both inside and outside of the classroom (oh, did we mention, we love outdoor learning too?!), and our happy side is almost always completely full. Our classroom is always full lots of laughter, giggles and fun – usually at my expense!
