

Welcome to our Class 7 page!

Teacher: Miss Hunter-Mills

Teacher Assistant: Miss Callahan

Hi everyone, I am Miss Hunter-Mills. I'm super excited to start this new academic year with class 7! About me – I am an avid reader, a musical lover and love to make learning enjoyable!

Class 7 is a lively and enthusiastic group, always eager to learn and explore new topics. Year 3 is a very important and special year as the children transition from KS1 to begin their KS2 journey. During this time, their independence increases as they navigate the second floor of the school and develop more responsibility. In class 7, we make learning exciting and engaging every day. School is a place where we have fun while expanding our knowledge and we always try our absolute best! We make it our class mission to show all of our values all of the time, both inside and outside of the classroom.

Below you will see an overview of all the topics Year 3 will be learning this half term. Lots to look forward to!

Class 7's Autumn Term Plan

Our learning focuses:

English	The Stone Age Boy
Maths	Place Value Addition and Subtraction
History	The Stone Age
