

West Heath Primary News

7th January 2022

Well done to all the children for following their values this week and settling back into school so well!

Next week's focus value ...

R E S I L I E N C E

'Accept, Reflect, Move on!'

It's my responsibility to...

Accept that things don't always go well, reflect

Please discuss the meaning of this value at home.

— WELCOME —
BACK TO SCHOOL

We are delighted to have you all back in school and we are looking forward to the term ahead.

Covid Measures

In light of the recent rise in cases, we are continuing the measures put in place in December in school. This includes no after school clubs for the time being. We hope that the measures will help to prevent further transmission and support everyone in staying safe during this time. As always, thank you for your cooperation.

Planners and Homework

We kindly ask that you write the page numbers to show what your children have read in the comment section of the planner. This is particularly important for those children who quiz on accelerated reader. This will help systems run smoothly in school. Your child is welcome to record their reading in their own planner, but a parent/guardian **MUST** counter sign afterwards to avoid any strikes.

Thank you!

Spellings and Mathletics have been set this week. Please ensure they are completed and handed in by Tuesday.

WINTER CLOTHING

Please send your child with a coat during the next few months. The weather at the moment is very cold and wet. They may also want to bring a hat, scarf or gloves too.

The children go out in all weather, so please make sure they have the correct clothing to keep warm.

Please make sure all items are labelled with your child's name and class.

Thank you.
