West Heath Primary School Home-School Agreement

Dear Parents,

At West Heath Primary School, we are determined to create an inclusive culture of learning where all children will be challenged in their thinking in order to achieve to the best of their abilities. We will empower our children to become respected citizens so as to enable them to make valuable contributions locally, globally and to contribute to our world's sustainable future. This can be done most effectively when all staff, parents and children understand their responsibilities and work together towards the same goals.

It is a statutory duty that we ask all parents of children, registered at our school, to sign a copy of our Home-School Agreement. By sending your child to West Heath Primary School you show that you too are committed to the educational ethos and values laid down at our school. We would therefore be grateful if you could support your child's education completing the signature slip to show that you have read the Home School Agreement. A copy will be sent to you and a copy will be placed in your child's school file.
