Sport:

Class 11 took on Year 5 children from Kings Norton Primary School in our latest 'Competition Wednesday' event this week. There was some fantastic individual and team performances from our children! We regained the trophy in a tremendous afternoon of sporting competition. Well done Class 11!

In other sports news, our KS2 Dodgeball Team took part in a competition at Colmers Secondary School earlier in the week. Seven other schools were involved and we managed to beat all of them! The children had to award the opposition points for the honesty, respect and teamwork they showed. Once again, our children scored more than any other school! As a result, we are now through to the next round where the team will compete against schools from across the city of Birmingham.

Sports Relief

Next Wednesday, we will be staging a 'Danceathon' in school to celebrate Sports Relief. Children will take it in turns to dance, so that we have a continuous stream of dancers throughout the entire day! We will also be selling Sports Relief wristbands to raise money for the charity. A SchoolPing will be sent out to give you more information about where and when the bands will be available for you to purchase.

General:

1. Parking on Wakefield Road is increasingly becoming an issue before and after school. We have had a number of complaints about people parking inconsiderately. We have a significant number of people coming on and off site during these times so it is important that everybody can access and leave the site safely.
2. Thank you to everyone who bought a book from the Book Fair. We sold £1299.23 worth of books, which gives the school almost £700 of rewards to buy new books for our children!
