

Hi

Welcome to Class 6

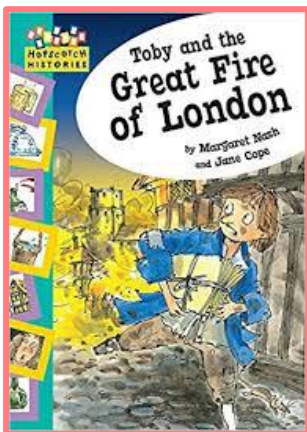

Hello class 6, it's Miss King!

I am beyond excited to tell you that I am going to be your new teacher next year! I have been teaching in Year 1 these past few weeks so I have already been able to meet and talk to many of you, but for those of you that are still a little unsure or haven't met me before, here is some information about me.

My name is Miss King and I taught Year 2 last year as well. I really love baking, spending time with my friends and family, and looking after my two cats, Maddie and Daisy!

I like to make my lessons as active and creative as possible because I think it's really important that you enjoy learning, but it is also just as important that we remember to follow our class rules. I will always encourage you to try your hardest and to show your values, and I will make sure we all have a great year where you are able to achieve your absolute best!

Now that you know a little bit more about me, I would like to tell you a little bit about your classroom and what you'll be learning this year. As you might have seen from the video, our classroom is pink! We are on the same side of the corridor that you will have used in Year 1, but now your classroom is right next to the toilets - which comes in handy!

Some of the questions I received asked about what we will be learning in Year 2, so here is some more information about what we'll be getting up to.

In the first half of the autumn term, we will be reading Toby and the Great Fire of London in English - getting to know the main character Toby and seeing what adventures he embarks on. In Maths, we will focus on building your skills in your number work and challenging you to apply this knowledge to problem solving and reasoning questions. In topic, we will be looking at the Great Fire of London and learning all

about what life was like for people during that period of history. Your PE lessons will still be with Coach Adam and the coaches. We will also be enjoying some Art, ICT, RE and PSHE.

Those of you who haven't been back in school yet might feel a little nervous or worried - this is completely understandable! I want you to know that we are doing everything we can to keep you safe at school. We are all going to work as a team to help and support each other and we will regularly talk about our feelings and concerns to make sure that we are doing

okay. School might be a little different for a while, but that isn't going to stop us from having a great year.

I am really looking forward to seeing you all next year, and I hope you have a fantastic summer. See you in September!

Take care everyone,

Miss King

Here are some pictures to help you know where we are and what things will look like:

Here is the view of the interactive whiteboard and tables.

These boxes may be on top of your desks to help ensure that we keep everything clean.

Here is your new Teaching Assistant, Mrs. Fields!

This is the door we will be using to enter and exit our classroom.
