Sport:

Earlier this week a group of Year 3 and 4 children attended the Birmingham School Games - Change for Life event at the Doug Ellis Centre in Aston. The children took part in a range of team games led by older children from other schools. Once again, our children were a credit to the school and it was noticeable how well all the children worked as a team. A special mention needs to be made to Harry in Year 4 who was singled out and awarded a badge by the School Games organisers for the passion he showed.

World Book Day:

We are all very much looking forward to World Book Day next Wednesday. Class 5 will kick off the proceedings with a World Book Day assembly. The children will also be sharing their favourite books with their reading buddies and completing other fun activities based around children's books. We are giving all of the children a book voucher, which you will find in their book bags on Wednesday. This voucher can be used at most bookstores and will entitle you to a free book. Remember that we are asking children to come in their pyjamas as the theme is "bedtime stories". It would also be great if they could bring their favourite book to share with their reading buddy.

Food Policy Consultation:

We are giving parents the opportunity to share their views about the new school food policy. There are a number of ways to do this, you can post a letter in the school mailbox, email the school or attend a consultation meeting on Tuesday 10th March at 9am.
