

Hello Class 3,

Welcome to Year 1, my name is Mrs Durose and I will be your new teacher. I am so excited to be your teacher and I know we will have lots of fun together. Some of you have already meet me because I have been teaching in Reception this half term, however for those of you who do not know me here is some information about me –

I have worked at West Heath Primary School for 10 years. I used to be a pupil at West Heath Primary School when I was a little girl. My favourite colour is blue, I like to spend my time in my garden, I grow vegetables and fruit, I have lots of chickens and I would like to have my own bee hive one day.

I am a friendly teacher, who likes to teach through fun, practical activities, I believe that we learn more when we are having fun. I like teaching Science and Topic because I like to learn new things about our world and I am curious about how things work. I love teaching and learning about animals and I cannot wait to teach you many new and exciting lessons.

Your new Teaching Assistant is Ms Holland, many of you will already know her; she has worked in KSI for many years. She is a lovely kind and caring person, who is excited to be working with you next year.

We have many exciting lesson planned for you including learning about toys throughout time and how toys have changed since your parents were little. Our new book is 'Lost in the Toy Museum'. We will also be learning about relationships and those people who help to care for us. We will still be learning Phonics, Maths and you will still have you P.E lessons with the coaches.

When you come back, there will be some things that will be a little different; you will all have your own chair and table, we will be washing our hands more and cleaning the classroom throughout the day and we will have break and lunchtimes together, this is so we can keep each other safe.

I can't tell you how much I am looking forward to seeing you in September, have a wonderful summer and I will see you all soon.

Take care everyone,

Mrs Durose
