Achieve Tomorrow

Young voices this week was a great experience for our children!
Singing at a national arena, with famous faces, and an electric atmosphere.
They sang their hearts out and were fantastic ambassadors for our school!
It is great to see our children back at such events!

Welcome to our weekly Mathletics feature

We would like to celebrate the fantastic home learning that the children are completing on Mathletics each week. As well as the activity set by their class teachers, some children are developing their learning even further and exploring other areas of the site.
