

18th January 2021

Hello Children,

Well these are very strange times indeed! Our school is just not the same without you all here.

I do know how hard you are trying with your lessons at home, your teachers tell me every day. The adults in school also show me the lovely messages sent by your parents. I have seen some of your amazing work and I have been very lucky to observe some of your virtual lessons when I am in school.

Your teachers certainly are trying to find creative ways to teach you from home; I am shocked everyday by what they too have learned over the past two weeks!

In school, the wooden cabins have been removed and we now have even more space to play. The Forest School area looks amazing although it is very muddy! We have all of these lovely spaces but we just need you to fill them! I was so sad not to see you all playing in the snow; we love snow days in school. I know your parents might not want me to say this but ... 'Let's hope it snows again when we are back in school so that we can make some snow families, snow angels and maybe sneak in a few soft snowballs!'

I watch the news every day to see when the Prime Minister will tell us all that it is 'safe' to return to school and we all hope every day that it won't be too long!

Please carry on completing your work; read lots and lots of books, stay healthy and most of all carry on being your fabulous selves!

We will get through this and we will all be back together very soon!

Sent with lots of love and virtual hugs.

Mrs Hooper
