

# Hello to all of our amazing West Heath Primary School children (4<sup>th</sup> June 2020)

This week we have welcomed some children back to school. Children in Early Years, Year 1 and Year 6 have returned to their classrooms. We cannot wait until we see you all back in your classrooms too! Our school just is not the same without you all! None of us know, at the moment, when things will return to normal but we promise to keep sending you things to do at home and we love seeing pictures from your home learning. In fact, I shed a little tear every Friday when I look at your smiling faces and the amazing work that you have created. I will be so happy when I can see you all in person! The adults in our school have all asked me to say 'Hello and they hope you are working hard!'

When the children have arrived at school this week they have seen many changes and some things look strange. This is what the classrooms look like; the adults look funny when they are cleaning and doing first aid; there are circles on the walls to show everyone where to stand so that they are not too close to each other.

I received this from Jasper (Y4) today and it made my day!

*This is a little something to let you know that we are thinking of you, Lock down is hard, lonely and scary a times, this is very true.*

*We are not able to see you or hug you for now, And only time will tell, when this will change or how.*

*But for now, the Hall family are sending this little hug, And hope this brings you some happiness and keeps away the bug.*

Stay safe!

*Jasper's poem also made me think about you all and how much the adults in your school are missing you. Be good, stay and safe and remember we all love you very much!*

Next week a teacher will phone you to find out how you are getting on and to hear your news. They always pass messages on to me; I love to hear your stories.
