

SPORTS PREMIUM FUNDING STATEMENT and ACTION PLAN: April 2020- March 2021

What is the Sports Premium?

Sports Premium funding is jointly provided by the Department for Education and Health, Culture, Media and Sport. The funding is expected to be used to provide new and substantial primary school sports provision.

Purpose of the funding

Schools must spend the sports funding to improve the quality and breadth of provision for PE and school sports activities. The sports funding is designed to enrich children's experience in sport whilst developing healthy active lifestyles; raising levels of attainment and enabling pupils to reach the levels of performance they are capable of. Schools are not directed to how they use the money. They are expected to decide how to use the funding in order to improve the provision of PE and sport within their schools. Examples include additional sport clubs, equipment to support P.E and hiring specialist P.E teachers/qualified sport coaches.

Physical Education at West Heath

At West Heath Primary School, we recognize the contribution of P.E to the health and well-being of the children in our care. In addition, it is proven that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children. We aim to develop children's knowledge, understanding and skill development so that they can effectively perform skills with confidence and competence. Children at West Heath Primary are expected to know, understand and then be able to apply their skills and knowledge in a range of contexts. At West Heath Primary, PE promotes understanding of how the body works and enables children to make informed choices about healthy lifestyles and to encourage lifelong participation in sport.

Objectives of the Funding at West Heath

- To ensure that all PE lessons are at least good and that children make good progress.
- To ensure that all children are able to engage in physical activity across the curriculum on a daily basis.
- To ensure that all children are able to take part in competitive sport through intra and inter school competitions.
- To play sports accessible to all SEND pupils.

West Heath Primary Funding Allocations	
Total Number of children on roll	408
Number of pupils eligible for FSM	346
Total amount of funding received.	£ 19,463

Key Achievements	Areas for further improvement and baseline evidence of need.

Current Picture <ul style="list-style-type: none"> Covid restrictions have affected the swimming programme 2020/21. Swimming will begin again, January 2021 for Y6 only during this academic year. The focus will be ensuring that children can swim at least 5m and that more proficient swimmers progress to breaststroke and personal survival skill are taught. The school's swimming programme will begin again in January 2021. The current year 6 will attend swimming lessons each week, for those children who cannot swim 25m additional lessons will be facilitated. 					

Academic Year: 2019/20		Total fund allocated: £19,463	Date Updated:27/11/20	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation:
				56%
Intent	Implementation		Impact	Sustainability and next steps:
To re-engage all pupils in regular physical activity following the national Covid lockdown.	<ul style="list-style-type: none"> Sports Coaching, under the direction of the PE teacher, delivering lunchtime and break time sporting activities to each bubble of children, activities on offer will be rotated so that all children experience a range of sport. Daily mile for all classes at least once each day, children keep record of their own progress. Rewards given when milestones are reached Daily mile is included in the whole school timetable as a non-negotiable activity. It is additional to Lunchtime and break time. 	Coaching =£10,940 Awards =£530	<ul style="list-style-type: none"> Number of children in each class engaged in physical activities at break and lunchtime increases. Number of children taking an active part in the daily mile increases. 	Sustainability: Daily mile becomes embedded in the whole school timetable. Children's motivation becomes intrinsic not extrinsic. Next steps: Children who don't engage to be targeted for after school clubs in line with Covid restrictions.

Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of total allocation:
				20%
Intent	Implementation		Impact	Sustainability and next steps:
<ul style="list-style-type: none"> Currently children have come back to school following lock Covid lockdown more sedentary and less confident than they were previously. We intend to make Outdoor, active lessons a focus for the whole curriculum. OAA lessons will focus on team building and increased use of school values. 	<ul style="list-style-type: none"> Outdoor activity to be a focus for every member of staff's appraisal and professional development. PE sports lead to work with all teachers to provide training for Outdoor and Adventurous Activities in line with the PE National Curriculum. New to career teachers to develop confidence through peer teaching with PE Lead. Forest school training for the whole school to develop skills and confidence in learning outside. 	Forest School training=£1600 Resources for and development of outdoor learning environment =£3433	<ul style="list-style-type: none"> The outdoor environment is increasingly used for active learning. Pupils resilience to learning outdoors and risk taking has improved. Pupil questionnaires show the impact of outdoor on motivation and enjoyment Teacher planning identifies lessons throughout the week where children will develop resilience. 	Opportunities for learning outdoors are included in the school curriculum map for all subjects. Next steps: Outdoor physical learning lead appointed internally.

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				7%
Intent	Implementation		Impact	Sustainability and next steps:
<ul style="list-style-type: none"> Outdoor and Adventurous Activity becomes embedded in teacher planning. Staff understand and can plan for Outdoor and Adventurous Activity 	<ul style="list-style-type: none"> Training for all staff in OAA programmes of study. Teachers assess children's progress in all of the 3 areas head, heart, hands 	2 training days =£1200	<ul style="list-style-type: none"> Through training all staff feel confident in teaching physically active lessons outdoors. Ratified through staff questionnaire and lesson 	Sustainability: Opportunities for learning outdoors are included in the school curriculum map for all subjects. Assessment of OAA included in

in line with national curriculum programmes of study and using they head , heart, hands approach			observations, all OAA lessons are identified as meeting national curriculum POS	the assessment policy due for review July 2021. Next steps: When Covid restrictions are lifted host OAA week and invite parents to support their children.

Key indicator 4: Broader experience of a range of sports and activities offered to pupils				Percentage of total allocation:
				8%
Intent	Implementation		Impact	Sustainability and Next steps
<ul style="list-style-type: none"> Whilst working in class bubbles we intend to extend the variety of physical activities/sport available at lunchtime. This will include a range of adaptations to team sports in order to be suitable for playground implementation. 	<ul style="list-style-type: none"> All teaching assistants will work alongside sports coaches delivering and facilitating team sport. Playground equipment will be available at each zone. 	Resources =£1400	<ul style="list-style-type: none"> Teaching assistant survey confirms that they are confident in facilitating active lunchtimes Pupil survey confirms that children have learned a range of new skills, have enjoyed lunchtimes. 	<p>A rolling programme of lunchtime activities is in place and TAs/sports coaches feel confident to lead lunchtime</p> <p>Next steps: Children to lead lunchtime activities</p>

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				9%
Intent	Implementation		Impact	Sustainability and Next steps
<ul style="list-style-type: none"> Many children across the school do not attend clubs or take part in competitive sport outside of school. We intend to enable all children to experience of a broader range of sports and activities through intra school competitions. We intend to enable more able swimmers to take part in a swimming gala 	<ul style="list-style-type: none"> Children in all year groups are given the opportunity to compete in a range of sports through bubble competitions. Children across the school are given the opportunity to compete for the school in interschool competitions. When Covid restrictions allow it. 	<p>Transport costs</p> <p>Additional swimming lessons</p> <p>Awards</p> <p>ON HOLD UNTIL BATHS REOPEN . WILL KEEP UNDER REVIEW AND ALLOCATE THE MONEY ELSEWHERE SHOULD WE NOT BE UNDERTAKING SWIMMING LESSONS THIS YEAR OR TAKING PART IN INTERSCHOOL COMPETITIONS.</p>	<ul style="list-style-type: none"> Children are signposted to external clubs. Number of children competing in intra sport school competitions has increased. Pupils voice demonstrates an improved attitude to competitions and risk taking. Develop inter school competitions for each year group. Facilitate A, B,C teams 	<p>Work with Colmers sports partnership to complete a rolling timetable for annual inter school competitions including SEND sport and swimming galas</p> <p>Next steps: A rolling programme of intra school competitions to be completed. Parents invited to attend intra school competitions when Covid restrictions lifted.</p>

	Affiliation with the Lawn Tennis association Lawn Tennis staff training	£15.00	Pupils in upper KS2 are able to attend the AEGON Classic tournament. Children are able to participate in a workshop run by the Lawn Tennis Association.	Photographic evidence from events
	Affiliation with the Kings Norton Sports District and Birmingham Primary Schools Football Association	£55.00	More children are given the chance to compete against local schools in a variety of sporting activities.
