

SPORTS PREMIUM FUNDING STATEMENT and ACTION PLAN APRIL 2019 - March 2020

What is the Sports Premium?

Sports Premium funding is jointly provided by the Department for Education and Health, Culture, Media and Sport. The funding is expected to be used to provide new and substantial primary school sports provision.

Purpose of the funding

Schools must spend the sports funding to improve the quality and breadth of provision for PE and school sports activities. The sports funding is designed to enrich children's experience in sport whilst developing healthy active lifestyles; raising levels of attainment and enabling pupils to reach the levels of performance they are capable of. Schools are not directed to how they use the money. They are expected to decide how to use the funding in order to improve the provision of PE and sport within their schools. Examples include additional sport clubs, equipment to support P.E and hiring specialist P.E teachers/qualified sport coaches.

Physical Education at West Heath

At West Heath Primary School, we recognise the contribution of P.E to the health and well-being of the children in our care. In addition, it is proven that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children. We aim to develop children's knowledge, understanding and skill development so that they can effectively perform skills with confidence and competence. Children at West Heath Primary are expected to know, understand and then be able to apply their skills and knowledge in a range of contexts. At West Heath Primary, PE promotes understanding of how the body works and enables children to make informed choices about healthy lifestyles and to encourage lifelong participation in sport.

Objectives of the Funding at West Heath

- To ensure that all PE lessons are at least good and that children make good progress.
- To ensure that all children are able to engage in physical activity across the curriculum on a daily basis.
- To ensure that all children are able to take part in competitive sport through intra and inter school competitions.
- To make sport accessible to all SEND pupils.
- To ensure that all pupils in key stage 2 take part in swimming lessons.

West Heath Primary School PE and Sports Premium

West Heath Primary Funding Allocations	
Total Number of children on roll	408
Number of pupils eligible for FSM	354
Total amount of funding received.	£ 19,546

Key Achievements	Areas for further improvement and baseline evidence of need.
Sainsbury's School Games Gold Award AfPE Quality Mark YST Quality Mark YST national case studies	Physical activity Assessment of whole child through PE Development of OAA Development of life saving skills

Swimming Data

	Front crawl	Back stroke	Breast stroke	Personal survival	Life saving	Overall performance
Exceeding	42%	40%	25%	37%	12%	33%
Expected	42%	42%	20%	28%	7%	35%
Working towards	16%	18%	55%	35%	82%	32%

Current Picture

- All children in KS2 have 8 swimming lessons each year beginning with front crawl and backstroke
- If children meet the expected standard, breast stroke and personal survival skill are taught
- Once the above skills are mastered the children progress to life saving skills
- This current program was implemented in 2017
- Children in years 3, 4, 5 and 6 are given the opportunity to complete in annual swimming gala, in preparation for this they receive two additional swimming lessons.
