

West Heath Primary News

Week beginning: 25th April 2022

Our leading values class last week was

Class 11!

Next Week - Reminders

School will be closed on Monday 2nd
May for bank holiday and also
Thursday 5th May for voting day.

After school clubs

Please be reminded that after
school clubs will start week
beginning 16th May.

Clubs information will be sent via
PING this evening.

Water bottles

We have had a few water bottles
coming into school with small
detachable lids. Please ensure children
come to school with appropriate
bottles. Small caps like those on a fruit
shoot are a choking hazard.

Thank you!

Dates for your diary:

02.05.2022 – May Bank Holiday – school closed
05.05.2022 – School closed - Elections

Jubilee*

*More information pending

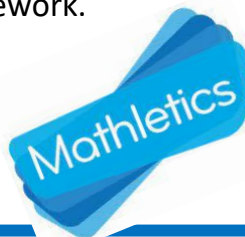

Welcome back everyone!

We are looking forward to a great
summer term!

Our Mathletics feature!

Mathletics will start again this week. The children will be set homework as before half term. To ensure your child is getting the most out of Mathletics it would be great to see more children having a go at the play mode to keep practicing those skills once they have completed their homework.

Let's see who our super stars will be this coming week!

Attend Today

Best attendance this week goes to....

Class 12

Most improved attendance this week, goes to...

Class 14

Achieve Tomorrow

	Week 6	Week 7	+/-
Class 5	35	35	0
Class 6	31	31	0
Class 7	44	45	1
Class 8	24	23	-1
Class 9	64	66	2
Class 10	101	101	0
Class 11	79	79	0
Class 12	86	86	0
Class 13	92	92	0
Class 14	108	109	1

Lots of children have said they continued their Tackling Tables learning over the half term so thank you for that!

The children are going from strength to strength but we do seem to have slowed in progress. Please ensure you are giving your children the opportunity to access Tackling Tables at home. This is important for their progression.

Medical Students

This week, a group of medical students from University of Birmingham Medical School have been on placement in school. They have been in classes across school and the children have really enjoyed having them visit.

The students have enjoyed the experience and have shared many learning experiences with the children.

They were particularly impressed with the children's knowledge with the bones chant and the muscles song.

Appeal for Clocks!

We would like to create a 'time around the world' display in school. If you have any clocks at home that are in good working order, please send them to school for our display!
