

Allocation of the Pupil Premium Grant 2019-2020

Key Figures regarding Pupil Premium	
Total Number of Pupils (Year R to 6)	408
Total Numbers of Pupils Eligible for PPG	217
Percentage of pupil eligible for PPG	53
Amount Received Per Pupil	£1320
Total Amount of PPG Received	£290,280

The Pupil Premium is allocated to children who are known to be eligible for Free School Meals (FSM), Service Children and children who have been looked after continuously for more than six months. This will also include pupils eligible for FSM at any point in the last six years (known as the Ever 6 FSM measure)

It is for schools to decide how the Pupil Premium is spent, as they are best placed to assess what additional provision should be made for the individual pupils at their school.

From September 2012, schools are required to publish online information about how we have used the Premium funding. This will ensure that parents and others are made fully aware of the attainment of pupils covered by the Premium and the extra support that they receive.
